

SECINDEF
International Consulting
Security, Intelligence & Defense

Corporate profile of **SECINDEF International Consulting**

March 2014

Introduction

- **SECINDEF International Consulting** is a company dedicated to consulting, training and the provision of services in the fields of **Security, Intelligence and Defense**
- The company was created to meet the challenges arising from **increased specialization and the needs of physical and logical security** in both developed and emerging economies while being specialized in Islamic terrorist movements
- **We have a Global scope with offices in Israel and Spain**, and capacity for development of projects in Europe, Central and South America, Middle East and Africa
- SECINDEF provides the **knowledge and skills to perform these services and provide products** responding to the needs that our customers may require

Who we are

- We are a group of professionals, mainly from Israel and Spain, with **extensive international experience** in the fields of **security and intelligence**, both public and private, **with over 30 years experience**
- The commitment of our professional team is joining forces to offer a **portfolio of high quality solutions**
- As differential value from organizations of similar nature we should highlight our **specialization in Islamic counterterrorism**

“SECINDEF has been able to integrate a highly specialized and multidisciplinary team for international service of public and private corporations”

Rafael Ríos, CEO
